FREEDOM SCHOOL NURSE

A summary of the Health Work done in Freedom Schools the past year.

Visits to Schools: 25

Pupils inspected: 50

Defects found:

Defective Teeth: 39

Defective Vision: 3

Enlarged Tonsils: 9

A Dental Clinic was held on Oct. 29th-30th at the Town Hall, with Dr. Deneault in attendance. 32 pupils were treated. Total number of operations, 88. It was quite noticeable in how much better condition the children's teeth were — having had the clinic the previous year.

The State Board of Education loaned us an audiometer in December. A hearing test was done on 36 pupils. Each child came within the normal range of hearing.

I wish to express my appreciation for the cooperation of the Superintendent, members of the School Board, Teachers and Parents.

Respectfully submitted,
EVA A. HENEY, R. N.

High standards continue to be maintained in the Freedom schools as in the past.

We are very fortunate in having Miss Eva Heney as school nurse. She has conducted the dental clinic for the school children of Freedom for the past two years. She has been able to obtain the services of an excellent dentist, Dr. Deneault of Meredith. This project which was sponsored by the town is most worthwhile and it is hoped that these services will continue. Miss Heney has great interest in her work and desires to see that the health of each individual pupil is at a high standard.

Even though we have been unable to obtain surplus commodities as in the past, the teachers are interested in seeing that your children have warm lunches whenever possible. It is our desire to maintain a healthy record in the schools, health being so vital during this present crisis. We appreciate the interest shown by the teachers in this work.
